THE FOLLOWING RESOLUTION WAS OFFERED
BY COUNCILMAN BERENT , WHO MOVED
ITS ADOPTION, SECONDED BY COUNCILMAN
BARNHARDT , TO WIT:

WHEREAS, heretofore the Erie County Water Authority entered into agreements with the Town Board of the Town of Lancaster, acting as Water Commissioners for the following Water Districts and Extensions:

Water District No. 1
Extensions Nos. 4, 5, 7, 8, 9, 10 and 11 to Water District No. 1

Water District No. 3
Extensions Nos. 1, 2, 3, 4, 5, 6, 7 and 8 to Water District No. 3

Water District No. 4
Extensions Nos. 1, 2 and 3 to Water District No. 4

Water District No. 7
Extensions Nos. 1, 2, 3 and 4 to Water District No. 7

Water District No. 8
Extension No. 1 to Water District No. 8

for the sale and distribution of water to the customers in said districts and extensions in the Town of Lancaster whereby the Authority agreed to manage and operate said districts and extensions, which by said agreements were leased to the Authority for that purpose, treating each of the customers therein as retail customers and charging to the customers therein for the sale of water the same rates and charges as are imposed on other customers throughout the Authority's territory not under lease-management, and

WHEREAS, said agreements were to expire unless a written notice of intent to renew said agreements for a successive five year period was given to the other party, and

WHEREAS, it is the desire of the Authority to renew said agreements for an additional five year period but with three basic modifications to the terms and conditions that exist under the original agreements, and

WHEREAS, said modifications are:

1. A new paragraph to be added to the end of the agreement which states:

"6.9 The parties herein specifically agree that the districts and extensions shall pay the cost of repainting, as necessary, all water storage tanks owned by the district."

2. When the original contracts were executed, the Town was entitled to set the service connection rates charged home owners but was obligated to reimburse the Authority periodically if the costs of the connections exceeded the total connection fees collected. Subsequently, with the consent of all the towns served by the Authority, this policy was changed to allow the Authority to set a uniform connection fee in the County with the understanding that the Authority would absorb any deficiency in the fees collected and would not bill the Town for any deficiency. In view of that change, the following should be deleted from page five of the agreement:

Beginning on the thirteenth line with the words ". . . . and in accordance with a resolution . . ." and ending with the words ". . . . billed therefor quarterly." on the twenty-fourth line.

3. Article V on page 10 of the agreement is entitled "Effective Date and Term of Agreement". Section 5.2 on that page provides that either party may cancel upon one-year's notice in writing after the agreement shall be in effect for two years. The two-year limitation on cancellation was only intended to apply to the first contract and, therefore, the second paragraph of that section should be amended beginning at the top of page 11 to read:

"It is further agreed that the terms of this agreement may be modified from time to time to such extent as the parties hereto may mutually agree upon in writing. In the event that this agreement is not cancelled as above provided for, the same may be renewed at the option of either party hereto for additional periods of five (5) years, but subject to cancellation at any time within any such five (5) year renewal period by either party upon one year's notification in writing to the other party. Written notice of intention to renew this agreement for successive five (5) year periods shall be given to the other party hereto within sixty (60) days prior to the expiration of any such five (5) year period."

and

WHEREAS, it is the intention of the Authority to make these amendments in all lease management agreements throughout the County as said agreements come up for renewal to maintain the uniformity of the lease management relationship with all water districts and extensions within the Authority's service area, and

WHEREAS, because of the modifications, the Authority is requesting that each respective Town Board, acting as Water Commissioners, forward to the Authority a resolution renewing the respective lease management agreements for the term set forth above and acknowledging the aforementioned three modifications to be effective in the new agreements, and

WHEREAS, it is in the public interest to renew said Lease-Management agreements for said Lancaster Water Districts and Extensions for the five-year term hereinbefore referred to,

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board of the Town of Lancaster, acting as Water Commissioners for the following Water Districts and Extensions:

Water District No. 1
Extensions Nos. 4, 5, 7, 8, 9, 10 and 11 to Water District No. 1

Water District No. 3
Extensions Nos. 1, 2, 3, 4, 5, 6, 7 and 8 to Water District No. 3

Water District No. 4
Extensions Nos. 1, 2 and 3 to Water District No. 4

Water District No. 7
Extensions Nos. 1, 2, 3 and 4 to Water District No. 7

Water District No. 8
Extension No. 1 to Water District No. 8

hereby elects to renew said Agreements for an additional five (5) year period, having a renewal date of August 1, 1979, under the terms and conditions as contained in the original Agreements with the modifications as set forth above, and

BE IT FURTHER
